Above: Students enjoy the serenity that the early morning brings. Below: Parking is bad enough at Saguaro during the daylight, but it proved to be even worse in the dark.

This year Saguaro shared facilities with Chaparral High School, while it was being constructed. The first semester Saguaro students attended classes from 6:45 a.m. to 12:23 p.m. Many students had afternoon jobs and preferred the early schedule, while others were anxious to return to the normal 8:00 a.m. to 2:47 p.m. schedule. Finally, after some debate, it was decided that the normal schedule would be resumed for second semester with the addition of a zero hour at 7:00 a.m.

The '72 Football season proved to be rewarding even though it was not one of Saguaro's best records. We pulled through with a record of 6-4 for the season. Statistically the team set a number of new records. Runningback Mark Nickells set a new school record for total yards gained with 1381 total yards for the season. He also turned out to be the leading scorer in the AAA division. Nickells, along with offensive center, Dan Brickley, and defensive end, Bill Erb, were so outstanding that they were selected as all-state players. Though the season had its ups and downs, the Sabercats retained their spirit.

Coach Ronald Vick, talks to Quarterback Jim Slocum concerning the next play. Coach Vick led the Junior Team to six wins and five losses. It proved to be a good year for the Junior Team.

Junior Varsity Player John Young, (25) scrambles for extra yardage, but is forced down. Coach Vick and other teammates look on with distress.

Although the Junior football team this year didn't have a perfect record, there proved to be good potential for next year's Varsity Squad. After many weeks of practice these boys perfected their many plays and techniques which helped them in their games. Under the direction of Coach Ronald Vick the Juniors had a 6 and 5 record. Coach Vick helped to strengthen the Juniors as to get them ready for future football teams. These young men have worked long and hard, and will play well on next year's Varsity Squad.

# Varsity cagers capture the team spirit

Under the leadership of new head coach Jerry Eckman the Saguaro Sabercats had an outstanding 72-73 season as they worked their way toward the best seasonal record as they posted a 7-14 mark. The cats made a run at the post season playoffs only to be edged out by a few games. The Sabercats got off to a good start and went on to defeat Carl Hayden, Scottsdale, Chandler, Westwood, McClintock, Casa Grande, and Yuma. With most of the starters returning next year, Saguaro will field a team that will compete with the best in the state.

The Student Council this past year, as in preceding years, contributed to our campus greatly. Many activities such as dances were sponsored by this outstanding group of students who were all elected respectively by their classes. Members on the council had to maintain a high grade average and good citizenship throughout the entire year to stay active in the group. A trip to Disneyland was planned by the Student Council for the Juniors and Seniors at the end of the year which brought the year to a joyful close.

Pep Club provided more than their share of enthusiasm and spirit at football games. Members sold cowbells at games and performed various hand routines to cheers and music provided by the band. In addition, a dinner was given in honor of the football team before the game against Mesa. Other planned activities include visiting the pediatric wards of local hospitals and collecting money for UNICEF. Meetings are held every Monday or Thursdays. On game days club members wear special uniforms to advertise the game. Pep Club has generated much excitement at football games and pep assemblies.

## Pom Line strives for spirit

To have a successful Pom Pon Line requires long hours of hard work. Saguaro's Pomline consists of thirteen hard-working energetic girls and Spirit is their prime goal. Activities throughout the year ranged from bonfires, performing at all games, skits, selling spirit ribbons, car washes, car caravans, and painting signs. Saguaro's devoted Pom Pon girls have indeed reached the goal for which they strived throughout the year.

Coach Keller, Matmaid's sponsor, looks on proudly as the girls pose for their picture. Mr. Keller chooses the Matmaids for every year, carefully selecting only those girls who have a genuine interest in aiding the wrestlers.

Matmaid Officers: Top Row: Karen Andersen, treasurer; and Kathleen Dugan, sergeant-at-arms; Bottom Row: Debbie Marquez, historian; Denise Dana, president; and Kathy Spini, secretary.

Without the help of the Matmaids, the wrestling team could not have functioned as well as it did this year. These industrious girls kept score at wrestling matches as well as provided the team members with goodies on game days. During the holiday season they hosted a Christmas tournament in which many schools participated. New Matmaids are chosen by Coach Keller at the end of each school year. Applicants are judged on their interest in wrestling and willingness to devote the time necessary to support the team and raise spirit. Meetings are held after school on Monday. The girls publicize the meets by wearing signs and special uniforms on meet days. Saguaro should be grateful to Matmaids for their continual support of wrestling.

munity and school.

## Z Γ Φ Members — Always Involved

Zeta Gamma Phi has again succeeded in promoting school spirit and providing services to the community. Zeta Gamma Phi members are perhaps known for their pleasing Tootsie Pop sales, but the club has accomplished far more than school-wide candy sales. They went trick-or-treating for UNICEF and held a Halloween party for underprivileged Indian children. The club also made plastic flowers, sold real flowers at shopping centers and gave many of them to the hospitals. They wrote letters to nursing home patients and, at Christmas time, they gave out little snowmen, which were made of marshmallows, to hospital patients. Christmas at Saguaro was highlighted by the Zeta Gamma Phi annual Christmas Prom. Taking orphans to the zoo, walking for the March of Dimes and camping trips were some of their other activities.

Zeta Gamma Phi club officers worked hard this year to lead the organization in its many activities. They were: Top Row: Kathy Koranda, sergeant-at-arms; Anne Baltz, chaplain; and Rita Pearson, historian; Second Row: Mary Hinchey, secretary; Jolene Meyer, secretary; and Shelly Smith, sergeant-at-arms; Bottom Row: Holly Gabel, vice-president; and Bonnie Lestikow, president; Not Pictured: Paula Hinds, treasurer.

Zeta Gamma Phi guys were chosen after nominations and a banquet was held. After each nominee was interviewed, the club members voted on six guys whom they felt were most involved with the school. This year the Zeta Gamma Phi guys were, from left to right: Mark Solem, Rob Lamb, and John Wogan; Not Pictured: Mark Simpson, Jim Todd, and Kurt Weimer.

Before we let another year pass by we must stop to pay tribute to Saguaro High's Key Club. This school might not have been the same this year if Key Club wasn't there to put picnic tables and trash cans in a very artistic design on top of the library and to paint the Sabercat as in previous years had been done. Every club has its time for jokes and jollies, but when it is time to get down to business as a service club they were the best in their field. Among other things they helped in a fund raising drive for Scottsdale Memorial Hospital and helped put up a Christmas display at the Phoenix Art Museum. They were very busy during the Christmas Season with putting up the Christmas displays and they also organized a canned food drive for St. Vincent De Paul. The Kiwanis Club is very grateful for the help Key Club gave them during their Parada Del Sol Pancake Breakfast and the Kid's Day Program. All in all Key Club had a very good year and the chance of a good '74 are high!

The Interact Club took on a new sponsor this year, Mr. Roger Stevens, one of Saguaro's chemistry teachers.

# Toastmasters

The Saguaro Junior Toastmasters Club was part of the Youth Leadership Training Course and was established last year to teach its members to be leaders. Being a leader involved knowing such things as how to run a meeting, when to applaud, and how to speak confidently in front of groups. Public speaking was stressed and club members had the opportunity to speak at almost every meeting. Each meeting had a theme, whether it was formal dress, a dinner meeting, or perhaps harassment night. Mrs. Rose Nack, also Saguaro's Communications and Media teacher, was sponsor and Mr. Joel Weldon, a member of an adult Toastmasters Club, was advisor.

Toastmasters Officers this year were: Top Row: Joan Ferraro, administrative vice-president, Nanette Brubaker, treasurer and Sue Brodine, secretary; Bottom Row: Dave Kronenberg, sergeant at arms, Rob Drake, president and Darin Knight, educational vice-president; Not Pictured: Keith White.

We must look funny to someone,  
spinning through the universe,  
locked in a death grip with our tiny ball of mud,  
rapidly chewing her to pieces,  
trailing a noxious cloud of poisonous gasses.

Think of Earth new.  
An unspoiled wilderness lying open to the sun.  
Think of oceans of life, instead of deadly cesspools.  
Is man the only mourner of wilderness because he is the only killer?

Will man never know?  
Or think we won, when we were the only losers?

Man must break his date with the future.  
No matter how long he wants to play outlaw.  
No matter how long he wants to gallop through town  
shooting like a madman and hooting at the laws of nature's god.

Yours for a Better Earth,

This year's yearbook staff put in much time and effort to get a yearbook to each student that wanted one. These are the students who contributed their abilities to the making of this book. Meeting deadlines is a major part of the production of the yearbook and staffers had to organize their schedules in order to make them. The result of all the hard work and time donated by the staff was rewarded by a great yearbook.

Being a Freshman means a lot of strange faces, sudden demotion from being a tough eighth grader, football games, dances where people actually dance, a yearbook and float parties. The Frosh came up with a huge banana split trying to keep with the theme "fruits of the world."

Size has nothing to do with float competition as was proved by the fact that they came in second out of four entries. All in all, the Freshmen a lot of ingenuity and enthusiasm during the Homecoming festivities.

The change in schedule this year was a big adjustment for most Saguaro students and a down right shock to others. It was probably hardest for the Freshmen to cope with. Having been used to class starting 8:30 AM in grade school they had to adjust

to bells ringing at 6:45 AM. Despite the lack of sleep the overall consensus was that the students liked the idea of the day being their own from 12:30 on. Loretta Hanby comes up with a solution for bags under the eyes — a little snooze.

### Lamenting on a Monday Afternoon

I have heard laughter where only flowers grow,  
And held a warming hand.  
I've shielded my eyes from a fire's glow,  
Run barefoot in the sand.

I have been lonely in a crowded room,  
And smiled, though screaming inside.  
I've felt that I've been followed by gloom,  
Found very few places to hide.

I have smelled the mud of a spring long passed,  
And cooled my tongue with winter rain.  
I've touched the vestments of an autumn mass,  
Longed for a summer once again.

I have learned from the mistakes I've made,  
And I'm bound to make some more.  
I've had hopes and dreams form, then fade,  
Been blind to what's in store.

To know life is to experience all things,  
To touch, to feel, to see  
Every miracle that one day brings.  
What a pity it would be . . . to know life.

By Debbie Doty
